

ANNUAL REPORT FOR THE YEAR 2024

24.00: PREAMBLE:

All praise is due to Allah SWT for the fiscal year just ended. May His peace and benevolence be on the noblest of mankind Muhammad, his household, companions and those who follow his examples, including benevolence towards orphans, till the last day. Amin.

24.01 MEETINGS: Two Board meetings were held in the year 2023.

24.02 ACTIVITIES:

- I. Ramadan Welfare Event: This was held on the 16th March 2024 in Kosofe Lagos, to cater for the families of orphans in our care. 20 families benefited from this welfare gesture. A cash sum of twenty thousand Naira was added to the food items. This will come handy when the family needs to buy other ingredients to cook meals for the family.

II. Zakat Beneficiaries:

We benefited from the Zakat distribution by Jaiz Charity and Development Foundation. Two of our undergraduates benefited and were used as part of their tuition fees for the session.

III. 2024 Annual New Session Event

This was held on 6th September 2024 at Aladelola Street Ikosi Ketu Lagos. Almost all our wards were present except those outside Lagos and some tertiary school students who were engaged with school activities. Care givers and mothers too were present as well as some of our benefactors.

It was graced by experienced school administrators, teachers and counsellors.

Cheques for both school supplies and fees were presented for the first term of the 2024/25 new school session.

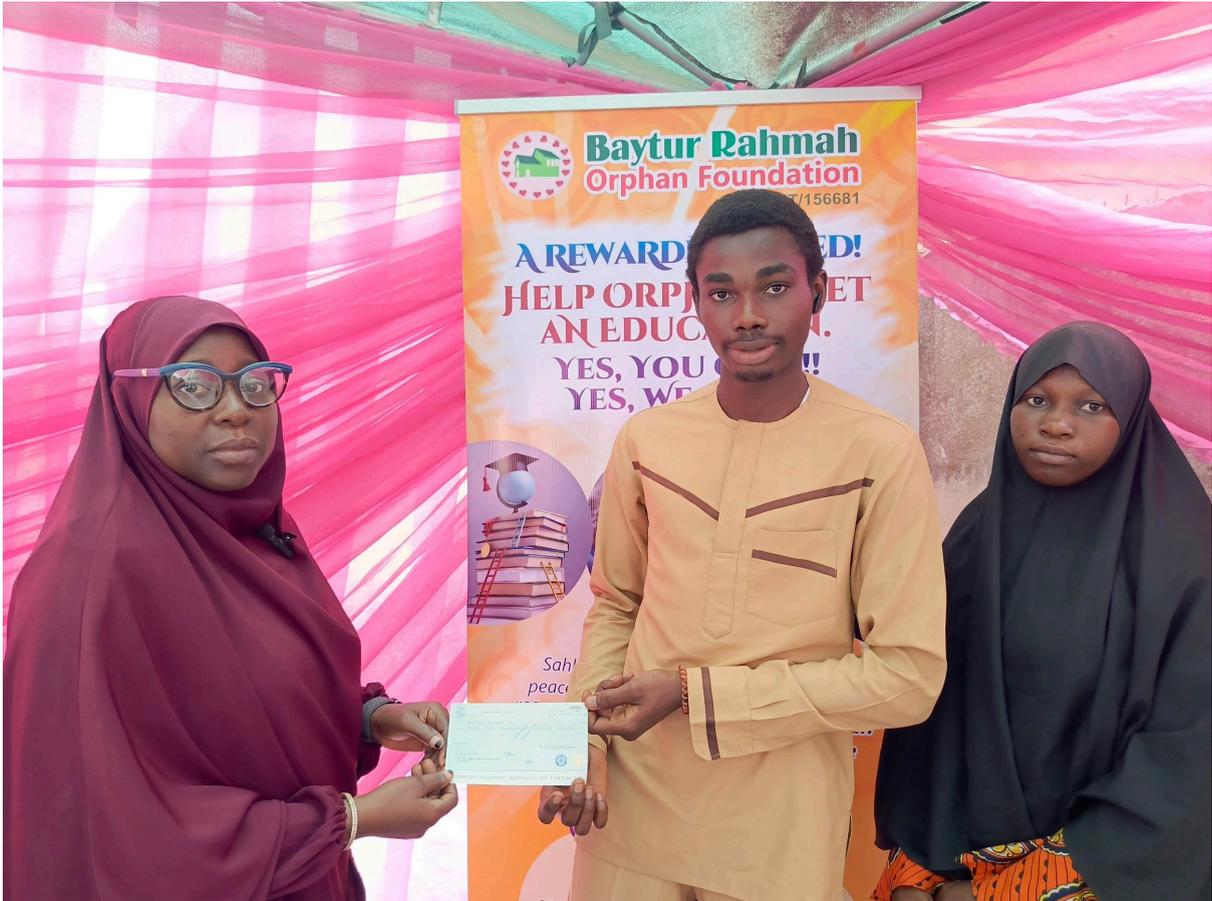

24.03 Convocation : It gladdens our hearts that one of our wards, Miss Aminat Miskilu, graduated from the University of Ibadan with a first class honours in Philosophy with Specialization in Media and Communications. This is a well-deserved achievement and a great way of being grateful for the sponsorship through her university education.

24.04 : Finance: The goodwill of donors, subscribers, zakat payers and sponsors is unrelenting. Both corporate organizations and individuals are partnering with us to ensure orphans aren't left either uneducated or uncared for.

It is our strong belief that the foundation can do more with more regular subscriptions and sponsorships. We have come this far and we would not relent in carrying on with this mandate of seeing orphans through school and ensuring they get an education that will be beneficial for life here and life hereafter.

Our Audited financial reports for the year will be made available on the website as well as CAC's annual filing acknowledgment to ensure transparency and accountability as well as encouragement to donors to do more. Inshaa Allah.
