## 2023

### **23.00: PREAMBLE:**

All praise is due to Allah SWT for the fiscal year just ended. May His peace and benevolence be on the noblest of mankind Muhammad, his household, companions and those who follow his examples, including benevolence towards orphans, till the last day. Amin.

**23.01 MEETINGS:** Three Board meetings were held in the year 2023.

### **23.02 ACTIVITIES:**

1. Ramadan Welfare Event: This was held on the 1st of April 2023 in Kosofe Lagos, to cater for the families of orphans in our care. 10 families benefited from this welfare gesture. The quantity of food shared to each family was to cater for the whole month of Ramadan for a family of 6.

## II. Zakat Beneficiaries:

We benefited from the Zakat distribution by Jaiz Charity and Development Foundation. Three of our undergraduates benefited. It was held on June 7, 2023 in Lagos. Two students got 100,000 NGN each while one got a brand new laptop.

### III. 2023/24 New Session Event:

It was held in Lagos on August 30 with adequate media coverage. It featured distributions of cheques for school fees and supplies for new term as well as academic and career development talks. In the audience were mothers and guardians of orphans in our care. Also in attendance were some of our donors and beneficiaries in primary, secondary and tertiary institutions. <https://muslimnews.com.ng/2023/08/29/baytur-rahman-foundation-disburses-n1-5m-to-supp-ort-orphans-education/>

#### IV. **More on Needs:**

In the course of the year, precisely in October 2023 we got a bag of clothes for welfare which was given to some of our beneficiaries whose needs were in the area of clothing.

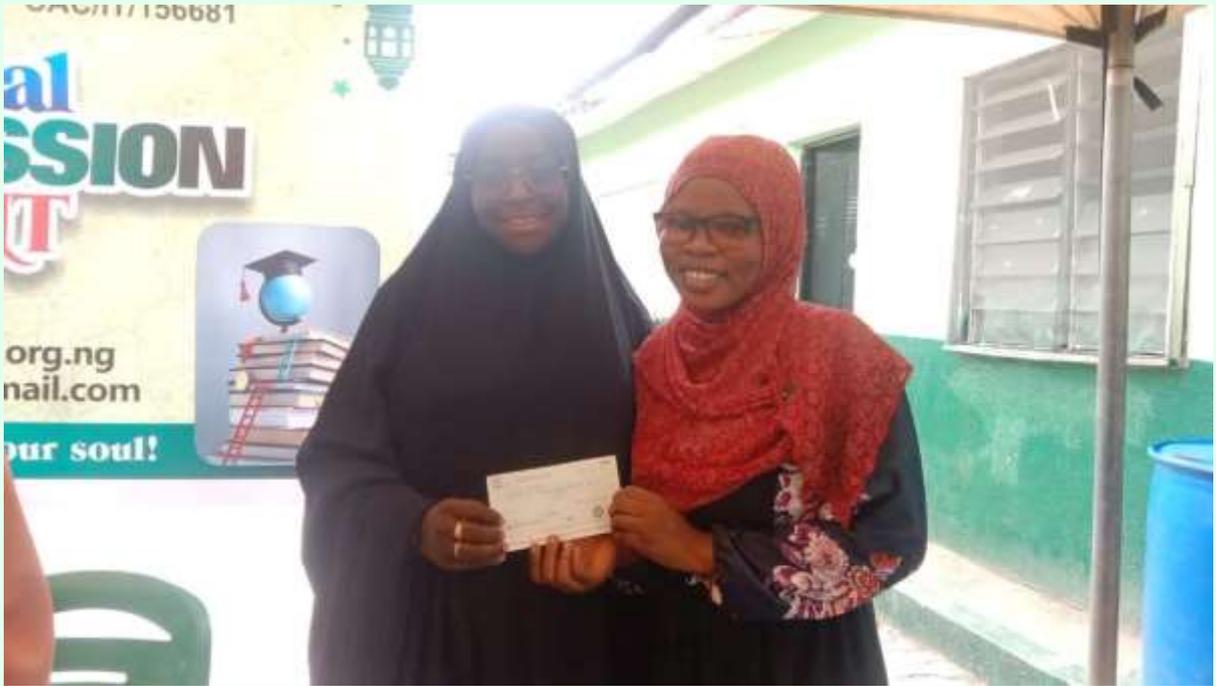

Precisely in November 2023, one of our beneficiaries came calling for a laptop to continue her work since her old laptop was bad. In pursuit of one of our core values, academic excellence, we presented her with a high quality laptop. This will assist in maintaining her academic success.

- v. **Finance:** We benefit from the goodwill of donors, most of whom we don't know but whose contributions, regular or not so regular, have pushed us this far. Audited financial reports will be on the website to ensure public transparency and accountability as well as encouragement to donors to do more. Inshaa Allah.
